

<b>OCCUPATIONAL HEALTH AND SAFETY DOCUMENT</b>	<b>GREEN CONTRACT SERVICES LTD</b> <b>ENVIRONMENTAL SUSTAINABILITY POLICY</b>	<b>SECTION: SHEQ</b> <b>ISSUE: 2</b> <b>DATE: May 2023</b> <b>PAGE: Page 1 of 1</b>
--	--	--

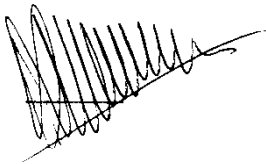

Green Contract Services Ltd understands that's its activities have both direct and indirect environmental impact and sees the protection of the environment as an integral part of good business practice.

The company is therefore committed to improving its environmental sustainability performance for the benefit of the people who work in the business and for the wider community now and in the future.

To support these aspirations, the company is committed to:

- Through its environmental management system, effectively managing its environmental impacts.
- Continually improving its environmental performance through the effective implementation of environmental improvement initiatives.
- Reducing, and where possible preventing, pollution through the effective and efficient use of resources.
- Complying with all relevant environmental legislation and other environmental requirements to which the Company subscribes.
- Communicating this policy effectively to the entire Company and the wider public  
Specifically, the Company will focus its efforts on the following:
  - Developing and maintain an effective strategy for carbon emissions reduction.
  - Engaging its staff in initiatives to minimise environmental impact.
  - Ensuring that improvements to the Company are undertaken in a sustainable manner.
  - Improving energy efficiency and water conservation within the Company.
  - Improving waste management practices to minimise waste generation and maximise the recycling and recovery of waste which is generated.
  - Sourcing and producing, where feasible, more environmentally friendly goods and services
  - Managing its grounds to minimise impacts of biodiversity.
  - Encouraging sustainable travel amongst staff and visitors.
  - Ensuring the welfare and safety of any animals that may be affected by our operations.
